PROFESSIONAL EXPERIENCE

IT Trainer
Katyayani Institute of Computer Education (KICE) | Sep 2026 – Present

- I teach programming, full-stack web development, digital marketing, and core computer science concepts through practical, project-based learning.
- Help students build real-world projects, improve problem-solving skills, and gain practical experience with industry-relevant tools.

Software Faculty
Indian Institute of Computer Science (IICS) | Nov 2025 – Aug 2026

- I taught programming, web development, core computer science, and digital marketing through practical, project-based learning.
- Helped students apply theory through projects, solve real-world problems, and prepare for careers in technology and digital marketing.

Student Volunteer
Indian Institute of Computer Science (IICS) | May 2025 – Nov 2025

- I supported learners with programming, project guidance, and debugging in Python, Java, and web development, helping beginners understand core concepts and gain confidence through hands-on learning.

PROJECTS

Library Management System
Technologies: Java, MySQL, JDBC

- Developed a desktop-based Library Management System to automate library operations.
- Implemented authentication, student management, issue/return tracking, and reporting features.

Student Management System
Technologies: Java, MySQL, JDBC

- Developed a database-driven application for managing student records and academic information.
- Implemented CRUD operations and database integration.

Personal Portfolio Website
Technologies: HTML5, CSS3, JavaScript

- Designed and developed a responsive portfolio website showcasing projects, skills, certifications, and achievements.
- Implemented modern UI design and mobile-friendly layouts.

Full-Stack Web Application
Technologies: PHP, Laravel, MySQL, JavaScript

- Developed a dynamic web application with authentication and database integration.
- Implemented CRUD functionality and administrative features.

EDUCATION

Bachelor of Computer Applications (BCA)
Indira Gandhi National Open University (IGNOU) | 2023 – 2026

Master Diploma in Computer Engineering (MDCE)
Indian Institute of Computer Science (IICS) | 2023 – 2026

Diploma in Computer Application (DCAP)
Shiv Computers and Career Coaching Center | 2022 – 2023

Senior Secondary School (Class XII)
Central Board of Secondary Education (CBSE) | 2023

High School (Class X)
Central Board of Secondary Education (CBSE) | 2021

CERTIFICATIONS

- SEO Certification
- Certificate in Generative AI Mastermind (Outskill)
- Certificate in HTML (IICS)
- Certificate in CSS (IICS)
- Certificate in MS EXCEL (IICS)
- Certificate in MS WORD (IICS)

ACHIEVEMENTS

- IT Trainer at Katyayani Institute of Computer Education (KICE).
- Software Faculty at Indian Institute of Computer Science (IICS).
- Trained 500+ students in programming, web development, and digital marketing concepts.
- Mentored students in developing software and web-based projects.
- Designed practical training modules covering Full-Stack Development and SEO.
- Developed software and web-based applications using modern technologies.
- Guided students in completing academic and practical development projects.
- Created structured learning materials for technical and digital marketing courses.
